

## **Production Hand**

Bench Brewing Company has immediate openings for entry-level positions on the production floor. This is a casual/part-time job that is physically demanding, with lots of lifting, cleaning and standing for long periods of time. Applicants must possess a great attitude and love of beer!

### **Essential functions**

- Load bottles, cans and kegs onto packaging lines and wrap completed pallets to load onto trucks or store in on-site refrigeration
- Assist brewers, packaging line operators and cellar workers in the execution of their duties
- Utilize a 5S approach to organizing and maintaining a clean and efficient workspace
- Operate a motorized pallet stacker, pump truck and forklift to move inventory
- Represent the brand at taproom and outside events

### **Beneficial Qualifications**

- WHIMIS Certification
- Forklift Certification

### **Preferred skills**

- Demonstrated problem solver/analytical thinker
- Resourceful with a can-do, get-it-done attitude
- Ability to use sound judgment under pressure
- Pride in work and passion for quality

### **Compensation**

- \$15/hour
